

Project **OTY**

Build YOUR RoadmapTM

In 16 modules, let us guide you to maximizing your students' personal leadership potential.

Start Here

2

DEFINE TRANSFORMATIVE MOMENTS

We then consider and define what Transformative Moments are and how they directly impact our lives.

1

WHAT IS LEADERSHIP?

We start by considering and defining what good leadership means internally and externally.

3

FIND YOUR UNIQUE STRENGTHS

In a quick exercise, you will connect with your close network, and gather eye-opening insights on your strengths to confidently kickstart planning for your future.

4

CONSTRUCT YOUR VISION

Crafting your roadmap starts here. You will begin the initial steps in creating a vision for your future and defining what personal success really means to you.

6

CRYSTALLIZE YOUR VISION

A vision requires clarity. You'll empower yourself with the ability and confidence to clearly articulate your visions and definition of success to others.

5

UNDERSTAND EGO, FEARS & MOTIVATION

Learn to pinpoint and confidently acknowledge the fears you will need to manage on your path to personal success.

7

LEARN TO ENROLL OTHERS

You can't achieve everything alone. Learn to identify the unique strengths in others, expand your network, connect with people, and build your supportive team.

8

SET GOALS

Learn how to set measurable and attainable benchmarks for personal success with certainty, while removing stress from the equation.

10

ACCOUNTABLE OR VICTIM?

Your behaviors may be working against your progress. Learn how to avoid victim behaviors, take accountability, and identify opportunities that transform you into a leader that garners respect.

9

SET STEPS

Start with a single step. Gain an understanding of how to properly set immediate, actionable steps and position yourself to pursue your goals and vision with confidence.

11

CHOOSE YOUR ACCIDENT

Learning never stops. Gain clarity in where you are at in the learning process, the impact of your choices, and how this leads to changed behaviors and enhanced opportunities.

12

SUCCEED WITH PRACTICE & FOCUS

How long does it take to master a skill, talent, or strength? Learn to become more efficient and focused to tackle your visions and achieve mastery of your unique strengths.

14

LEVEL UP LEADERSHIP & CONFIDENCE

How does your daily routine set you up for success? Learn to build your perfect day, protect your energy, and build your leadership skills by asking powerful questions with emotional intelligence.

13

APPRECIATE THE MOMENT

True leaders make use of what they are learning in every moment. Understand the power of reflecting on lessons you learn in your everyday moments.

15

TAKE TIME FOR GRATITUDE

Learn how to best practice gratitude to preserve your inner peace, precious energy, open new doors, and celebrate your wins.

16

DREAM BIG!

You are now equipped with empowering lessons, a completed roadmap, and newly discovered strengths to take confident action toward powerful leadership and personal success.

Get Started

1. Request a quote for your class, school or district.
2. We'll connect to discuss any questions you have (cost, implementation, demo, etc.).
3. No pressure. You decide when to start. We'll create a memorable experience.
