

What Students Learn From Project OTY

Build YOUR Roadmap™ Outcomes

MINDSET

- How to practice gratitude for a more positive outlook
- How to create a routine and habits to sustain self-discipline
- How to identify opportunities and reframe challenges

LEARNING

- How to create a vision-centered plan for future success
- How to set measurable goals that help them easily achieve their long-term dreams
- How to determine their Unique Strengths and the strengths of others

MENTAL HEALTH

- How to position themselves to self-manage during hard times
- How to control self-doubt and fear to achieve their goals
- How to organize their thoughts to manage the "noise" in today's world

LEADERSHIP

- How to embody the traits of successful leaders
- How to build a team around them for support
- How to communicate and respond to others on a team

PROJECT OTY HELPS STUDENTS FEEL ORGANIZED, FOCUSED, MOTIVATED, AND READY FOR LIFE.
